### What Your Gift Supports

**\$10 Mosquito Bed Nets:** Provide a safe night's rest in countries like Uganda, where malaria is a major health concern.

**\$25 School Uniform:** The gift of a school uniform can open the doors to education for a child.

**\$50 Water Filter:** In rural Guatemala, deadly waterborne diseases are common. Personal water filters offer simple, sustainable access to clean water.

**\$85 Box of Purple Markers:** Purple markers are used to mark the pinkie fingers of children who receive the polio vaccine, helping health workers identify children who still need to be immunized.

**\$100 Folding Walkers:** Walkers and wheelchairs can offer people with physical disabilities mobility, improved health, access to education, and economic security.

**\$100 Sewing Machine:** ...to teach entrepreneurs the skills they need to launch a business; microloans and training ensure the business's sustainability.

**\$250 Ceramic Washbasin:** Give mothers living in domestic-violence shelters the means to bathe and care for their babies and families.

**\$500 Dairy Cow:** In addition to providing dairy products, cows produce calves that farmers in Cambodia can sell to support their families.

### TRF: Club & Community

Continuing the Foundation Month theme, VP **Martha Cropper** shared updated information about the District Simplified Grants (DSGs, now District Grants) program and our involvement over time. Then, she presented an overview of polio and Rotary International's PolioPlus and polio eradication efforts since the 1980s.

In an earlier form, the club earned (1998) a joint Matching Grant from TRF, along with the RC-Carbondale and the new RC-Cartrerville Area, to provide educational materials to three schools for young women in Bangladesh.

More recently, DSGs included, in part, such projects as new outdoor grills at the Boy Scout camp, improvements at the Boys & Girls Club of Carbondale, an outside basketball goal at the Life Community Center of Carbondale Park District, and, this year, tree planting in cooperation with Keep Carbondale Beautiful.

Next, VP Martha provided a view of polio we often do not hear: types, symptoms, related medical history, all as context for Rotary International's extended effort to eradicate polio worldwide. She reported the most recent status, noting efforts are now focused on eradicating the final one percent of cases.

### Day/Location Change

Beginning Dec. 2, the RC-Jackson/Williamson County-Sunset will meet on Tuesday, 6:00 p.m., at Bandana's Restaurant, Carbondale.
