Big Brothers/Big Sisters

Project Director **Ramona Girtman** began with thanks to the club for the invitation to speak and for all the club does in the community. She is a Carbondale native and a graduate of SIUC.

The BBBS program originated more than 100 years ago, now with more than 400 sites/programs in the USA and presence in 12 countries. Illinois has 22 affiliates. The Jackson/Perry county affiliate was established in 1995. Girtman expressed the need to expand the program service area.

The Vision: "All children achieve success in life."

The program is founded on the belief that the Littles need the Bigs for assistance and guidance. Accountability is so very important, in the forms of higher aspirations, confidence, better relationships, educational success, and avoidance of risky behaviors.

The success of the program is measured in various ways: 90% of participating Littles are on the Honor Roll or High Honor Roll in school; 46% less likely to use illegal drubs, 27% less likely to use alcohol; 52% less likely to skip school; and 33% less likely to hit somebody.

Littles and the Bigs are matched on such factors as location, gender, personality, and preferences. Together, they set annual goals. Although the original commitment is for one year, the actual average duration of the relationship is 33 months.

Expenses are approximately 76\$ for services, 21% for administration, and 3% for supplies and the like.

Club President Randy presented to Girtman a check for \$500 from the club's share of 100 Men Who Cook proceeds.
